Order of determination of the size of the judicial penalty: theoretical and practical aspects

E. A. Hlebnitsyna,

Abstract. The article analyzes the procedure for determining the amount of a judicial penalty imposed upon the person's release from criminal responsibility on the basis of Art. 76.2 of the Criminal Code of the Russian Federation. Attention is drawn to the fact that the Criminal Code of the Russian Federation provides only the upper limit of monetary recovery and the rules of its determination. The following issues relate to the establishment of a minimum judicial penalty. The author believes that the absence of an indication in the law of the minimum amount of monetary penalty enables the court to individualize criminal responsibility.

Key words: release from criminal responsibility with purpose of a judicial penalty (Art. 76.2 of the Criminal Code of the Russian Federation), the procedure for determining the amount of a judicial penalty, the maximum amount of a judicial penalty, the minimum judicial penalty, a penalty.
